

How to manage your Schwab Bank Debit Card

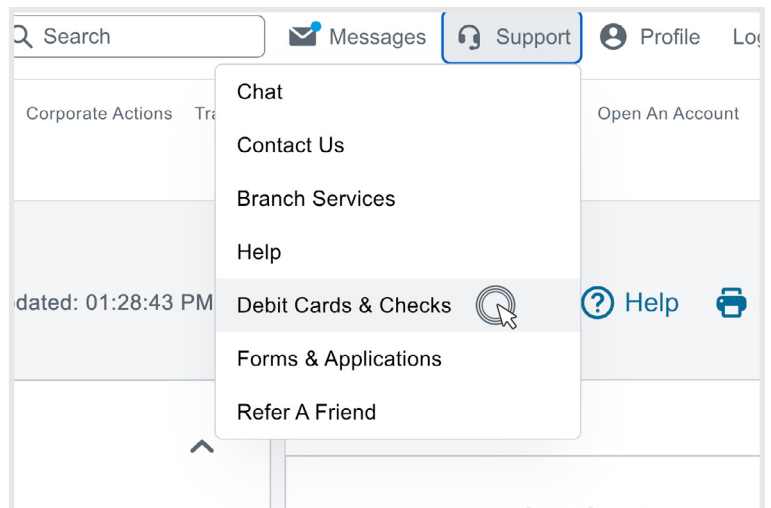

Follow these instructions to manage your Schwab Bank Debit Card online, set alerts, provide travel notices and more.

Note: For illustrative purposes only. Screenshots are historical in nature.

Get started

To manage your Schwab Bank debit card online, log in to your account, select **Support**, then select **Debit Cards & Checks**.

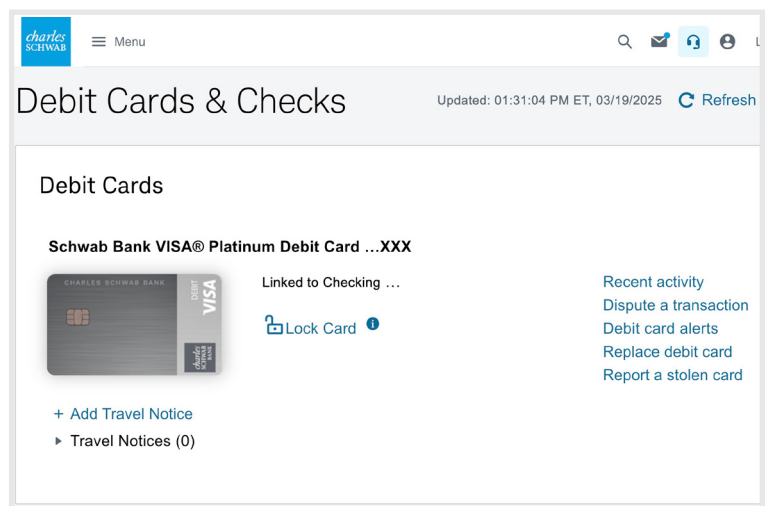

Step 1

On the Debit Card panel, you can choose from several options to manage your account debit cards.

For Schwab Bank debit cards, features include setting debit card alerts, giving travel notices, replacing a card, and more.

Note: Some features and services may not be available on the Schwab One Brokerage debit card.

Set debit card alerts

Step 1

To set a debit card alert, select **Debit Card Alerts**.

- [Debit card alerts](#)
- [Replace debit card](#)
- [Report a stolen card](#)

Step 2

Scroll to the **Banking & Debit Cards** section and use the dropdown arrow to expand the panel.

For each account and issued debit card, you can choose how you would like to receive alerts, as well as the type of activity you would like to be alerted for.

Note: If any alert types are disabled you can set them up by going to **Alerts**, in the **Profile** menu and selecting **Delivery Options**.
